Sub: In the Matter of Arizona Public Service Company and Verizon California, Inc.'s  
Joint Petition for the Establishment of an Underground Conversion Service Area

To Whom It May Concern:

Please be advised that Trevor Goldi & Sierra Smith-Goldi, Earline R. Pool's address is wrong on the above petition. Please change from 2775 Hillcrest Dr., Parker, AZ 95344 to 828 Swan Dr., Parker, AZ 85344.

Also we the above did not sign the petition for the underground utilities because it will put a financial hardship on us. We are all on fixed incomes and cannot afford this. We also do not want a lien on our home, this is a very difficult situation for us as we are older people and can't afford it.

We do agree that it would make for a better view of the river without the lines hanging but we are in a bad situation in this matter financially. Please add us to the list of people who really do not want to have this matter done especially at this time.

Thank you,

Attn: Commissions Docket Control

Dear Sirs

We are the owners of a house at 913 Swan St. Parker, AZ 85344 in the Hillcrest Bay subdivision. We purchased lot number 064A lot and developed it. We have lived there for approximately 4 years.

We write this letter in support of the current proposed project to place utilities underground. Besides the obvious aesthetic improvements, we are convinced that underground utilities will allow for more reliable power and telephone service. We have supported the proposed project from the beginning and still support it now.

We urge you to pass all the necessary procedures to allow for this project to start as soon as possible.

Dear Arizona Corp. Commission, 12/26/07

I am writing to you in concern of the underground  
project joint petition at Hillcrest Mobile Manor

Lot 208 Docket NO. E-01345A-07-0663

Docket NO. T-01846B-07-0663

My husband has past away Aug. 15 of this year 2007  
and I would like both of our names removed  
from the joint petition. Earl L. DAVIS and ERNA L. DAVIS.  
I would not be able to afford the high expense of the  
underground cable. Since my income is cut way  
down, I do understand if this underground cable  
goes through I would have to pay my share.  
I just pray that the cost will be where I could  
handle the amount. I am sorry

Thank you

LADIES AND GENTLEMEN:

WE ARE AGAINST THIS PROJECT FOR THE SIMPLE  
REASON WE ARE ON A LIMITED INCOME AND DON'T HAVE  
THE MONEY TO PARTICIPATE IN THIS. IF THIS GOES  
THRU, WE MAY HAVE TO SELL OUR HOME. IN AN  
INVALID AND CAN'T EVEN EARN EXTRA MONEY FOR  
THE THINGS WE NEED.

ANOTHER REASON IS, I'M AGAINST IS THE WAY  
OUR ELECTED ASSOCIATION OFFICERS WENT ABOUT  
GETTING PEOPLE TO SIGN THE PETITION, BY PRESSURING  
THEM TO SIGN. SUCH AS GOING TO THEIR HOMES  
AND HARASSING THEM.

IF OUR NAME IS ON THE PETITION WE DID  
NOT SIGN IT. IF IT IS PLEASE REMOVE IT.

(2)

ALSO WE HAVE 274 LOTS HERE BUT THE VOTE WAS TO BE 60%+1 OF 190 PARCELS WHICH MEANS PEOPLE LIKE US ONLY GOT ONE VOTE FOR TWO LOTS, LIKEWISE WITH OTHER PEOPLE HERE.

THE POLES WERE HERE WHEN THEY PURCHASED THEIR PROPERTY, SO WHY CHANGE NOW.

THANK YOU FOR LISTENING

POSITIVES FOR UNDERGROUND UTILITY

To Whom It May Concern:

~~GOV~~ Corporation **RECEIVED**

In regard to the Underground Utility proposed for our Subdivision, I feel it would provide better service for the Electronic, Phone and Electrical Service. Also, it will be a safety feature, as you all know, we have high winds in our area and they would no longer be a detriment to the power lines.

Additionally, the ABSENCE of telephone poles would enhance the view for everyone.

To me, the Underground Utility is a "win-win", situation for every home owner. Concern, regarding the cost of installing and maintaining this UPGRADE to our community, should be minimal as the advantages outweigh the disadvantages

Dear Sirs:

I AM FOR THE PROPOSED UNDERGROUND CONVERSION FOR OUR PROPERTY AT HILLCREST BAY. IT WILL BE A GREAT OPPORTUNITY TO IMPROVE ITS CURRENT CONDITION. THERE HAS BEEN TOO MANY ELECTRICAL OUTAGES DUE TO THE INEFFICIENT CONDITION OF THIS OLD SYSTEM. WE HAD RECENTLY EXPERIENCED A FIRE DUE TO THE FACT AN OLD POLE HAD INTERNALLY ROTTED AWAY AND BUCKLED INTO THE STREET. FORTUNATELY, IT DID NOT LAND ON A HOUSE, TRAILER OR PERSON OR CAUSED BODILY HARM TO AN INDIVIDUAL. WE ALSO HAVE RETIRED RESIDENTS THAT LIVE HERE THAT RELY ON ELECTRICAL MACHINES TO SUSTAIN LIFE. WITH THESE OUTAGES IT CAUSES DISRUPTION SOMETIMES LASTING SEVERAL HOURS. IF THIS OPPORTUNITY IS DENIED TODAY AND REVISITED LATER IT WILL BECOME A GREATER EXPENSE TO US ALL. PLEASE COUNT MY VOTE AS A STRONG YES!

Dear Arizona Corporation Commission,

This letter is in regard to Docket # E-01345A-07-0663 and T-01846B-07-0663. I have owned property in Hillcrest Bay, Parcel # 310-32-147, for the past 15 years. The address is 927 Linger Dr. I am four streets up from the highway and have a view lot. We sit on the deck and look through telephone wires to see the lake. I am in favor of removing the old telephone poles, not only for esthetics, but also for safety concerns. I don't like the idea of the big metal poles in the street and believe that the underground utilities make much more sense. Since Hillcrest Bay is continuing to grow, I hope you approve this project for the residents now and for the future.

Respectfully,

Dennis Roustan

To Whom It May Concern:

We the undersigned, wish to withdraw our signatures from all the petition of owners requesting establishment of the UCSA. We object to the establishment of the UCSA and the underground conversions costs, in the joint report as pertaining to our lot or parcel within the proposed UCSA. We also object to the Joint Petition. Our objections to the above are for the following reasons: We question the legality of the petition's signatures. We have not been shown how the signatures were verified to be sure they are those of the owner's of the property. The signatures were not notarized. Also we don't know if all the required signatures were obtained legally. The costs, that were recently stated, are far above what we were led to believe would be charged. Many of us, in the division are retired, and on a fixed income and therefore it would put a financial burden on us which would probably force us to sell our property.

Respectfully submitted:
